infusions

THE SWEET RELIEF

New Myer's – Ascorbic Acid
B-Complex / Magnesium / Taurine

For anyone feeling run down or in need of a pick-me-up.

High dose antioxidants and immune boosting nutrients designed to treat several conditions including fatigue, fibromyalgia, muscle spasms, upper respiratory tract infections, seasonal allergic rhinitis and migraines.

\$175 | 60-90 minutes

THE STAND + DELIVER

Ascorbic Acid / B-Complex
Amino Blend / Mineral Blend

For anyone needing to replenish their system and spring back to life, quickly.

An infusion of vitamins, minerals and amino acids to help you hydrate, replace essential nutrients, and recover.

\$200 | 60-90 minutes

THE PRIZEFIGHTER

High-Dose Vitamin C –
Ascorbic Acid

For anyone fighting off disease or infection, or simply in need of an immune boost.

At high-doses vitamin C has pro-oxidant effects providing protection against viruses and bacteria and selectively killing cancer cells. At lower doses vitamin C fights free radicals and assists with wound healing and collagen production.

\$300 (25 grams) | 60-90 minutes*

*Requires blood work

THE CLOUD CLEARER

NAD+ – Nicotinamide
Adenine Dinucleotide

For anyone struggling with fatigue, brain fog, depression, or other cognitive hurdles.

NAD+ is a coenzyme needed to power hundreds of metabolic processes such as repairing cellular damage, fighting infection and inflammation, fueling brain function, and slowing the effects of aging.

\$300 (250 mg) | 2-4 hours

\$500 (500 mg) | 2-6 hours

\$700 (750 mg) | 2-6 hours

*An initial loading dose is recommended over a period of 4 days or more.

infusions + injections

THE HYDRATOR Hydration – LR

For anyone needing to replenish fluids and feel better fast.

A simple infusion of fluids and electrolytes to treat dehydration.

\$75 | 45-60 minutes

THE ANTIVIRUS Ascorbic Acid / B-Complex / Zinc

For anyone requiring extra support to fight off a viral infection (or two).

A vitamin C infusion with vitamin complex and zinc sulfate to provide your immune system the essential nutrients it needs to thrive.

\$200 | 60-90 minutes

THE RECOVERY ROOM The S+D Drip / Anti-Nausea Rx / Anti-Inflammatory Rx

For anyone dealing with dehydration as the result of illness.

An infusion of vitamins, minerals and amino acids to help you hydrate, replace lost micronutrients plus anti-nausea and anti-inflammatory medication.

\$250 | 60 minutes

THE MOTHER LOAD Glutathione IVP

For anyone feeling like they're trudging through mud. We've got you.

Glutathione, also known as the "Mother Antioxidant", aids the immune system and is involved in aging defense, detoxification, and energy production.

\$100 (1g) | 10-30 minutes | \$175 (2g)

IV INJECTIONS \$30 each **\$70 each*
